

Featured Supplier Conte\$t

SCAN TO WIN! Visit the Expo Featured Suppliers for a chance to win \$1,000!

Start your tour of the expo floor and visit the HAA Featured Suppliers as they show off their products and services. While you're at it, you can earn a chance to win \$1000 on the day of the show! At the very least, you could find a new supplier partner while you play!

Here's how it works: When you arrive at the expo, register to play the contest by scanning the QR code game that relates to your title or position. Choose the Executive Level or the On-Site Level, whatever pertains to your position. The companies on your game card will relate to what you do every day.

- Executive Level – CEO's, Executives, Directors, Supervisors, Maintenance Supervisors, Corporate, etc.
- On Site Level – Property Managers, Assistant Managers, Maintenance Techs, Leasing Consultants and all other on-site positions.

It's touchless: Play the game on your smart device! Stop by each Featured Supplier listed on your digital game card and get the answer to their question so you can fill it in. -All participating booths will have distinct signage to help designate them as a participating Featured Supplier. Once you have completed your visits, show your completed submission message to an HAA Staff member at the HAA booth at the back of the hall to receive your entry ticket.
